ROY IVINS MINISTRIES

HELLO MINISTRY PARTNERS AND FRIENDS!

I Hope all is well with you and your family. This has been a very fast year, time seems to fly by when you're having fun.

HOW THIS ALL BEGAN

In December 2002, I was diagnosed with hepatitis C. The medical world said I needed a liver transplant soon or I would die. I fell on my face in a wooded park and prayed to God. "If you will heal me, I will do whatever you tell me to do." A voice inside of me said "you're healed!" It took about a year for me to get my strength back.

God told me to go buy a tent and start Revival meetings in Montague County, on a vacant lot, way out in the country, about 15 miles from a Dairy Queen – population 4.

The first night a man was healed of asthma and God made his crooked back straight.

One of the next places God said to go was Illinois Bend, population about 12. That tent meeting went on for four weeks and The Lord was healing people every night; black mold disease, black feet disease; bent over backs were made straight; all kinds of aches and pains. Jay Gaston and I baptized 16 people in a 4' x 16' swimming pool at the tent.

What a move of the Holy Spirit!! "WOW!" I went to Nocona, Texas several times with the tent and Mark Von Erick, a friend of mine put up his wrestling ring and many young people accepted salvation.

We went to Nocoma Lake, Oakshores, St. Jo, Bowie, Sunset and Gainesville and the Lord healed many people of all kinds of pains.

We worked Montague County for four years and saw God change many people's lives with Holy Ghost Revivals.

NEW WORD

Then God said, "you will be working in West Texas."

In 2009 a church called and asked if I would come and hold a revival in Littlefield, Texas. I went and God started a chain of meetings in churches, homes, ballrooms and the Revival Tents.

The Lord healed cancer, hepatitis C, diabetes, grew out legs, cast out demons, created arches in feet and the list goes on.

DOCTORS SAID SHE WILL NEVER WALK AGAIN

A young 36 year old lady, Janell, because of surgery had not walked in seven years. She was bound to a wheelchair with severe pain throughout her body. Prayers were made for her in the Name of Jesus and immediately we started seeing slow improvements, almost weekly. In December Janell has not used her wheelchair in six weeks and according to her Mom she is pain free (with God all things are possible). "GLORY TO GOD".

Angala had been diagnosed with fibromyalgia and had been bed fast the last 1-1/2 years. She suffered from depression, not wanting to live. Her entire body was filled with pain 24/7 and she had lost 1/3 of her hair. When prayer had been made for her in the Name of Jesus, life began to flow into her (most of all the pain left), her hair grew back, she drives everywhere and helps her husband. Angala preached at the Upland 19th Street Tent Revival and we saw people healed when she prayed for them ("with God all things are possible.")

Hebrews 13:8 – Thank you Jesus that you still do miracles today.

UPDATE

In the past several months, I have been holding weekly meetings in a very nice building that the Lord has provided in Lubbock, TX. Also, I have purchased a 1,000 seat, blue and white tent in preparation for this spring and summer revivals.

ROY IVINS MINISTRIES

I hear the words of Jesus saying, Do you not say “There are still four months and then comes the Harvest? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest.”

I thank the Lord for what He is doing here in Lubbock. He has brought together a group of people who prays for families, revival in Lubbock, revival in America and the 2012 elections. Praise God for Holy Ghost praying people.

The Holy Spirit has put it in my heart to do a tent revival in Montague County this spring and summer (Nocona, Texas).

I hope to see many of you there. I will be contacting leaders in days to come, believing this meeting will be one of our best ones in Montague County.

A FAITH NUGGET

If God has already done something about it, then His responsibility has ended and ours has begun. Action activates the Power of God (step out). Jesus said on the cross “It is finished.”
